# HOW TO ENTER

## WRITING YOUR ENTRY

There are no boundaries on the design, branding or format of the entry. The submission can be formatted portrait or landscape. Feel free to include the Corporate Content Awards branding. Judges often prefer entries that don't have too much text on one page as it makes them easier to read.

The most successful entries have a clear narrative. They include details of why the work was carried out, how the strategy was developed and implemented, and how the results fit the initial objectives.

To enter the Corporate Content Awards, please prepare a single PDF document including your:

1. Entry summary (300 words)
2. Entry statement (700 words)
3. Supporting materials

Written supporting materials do not contribute towards the word count.

Please ensure your file is no larger than 10MB.
