WRITING YOUR ENTRY

There are no boundaries on the design, branding or format of the entry. The submission can be formatted portrait or landscape. Feel free to include the Corporate Content Awards branding. Judges often prefer entries that don't have too much text on one page as it makes them easier to read.

The most successful entries have a clear narrative. They include details of why the work was carried out, how the strategy was developed and implemented. Judges want to see how the results link back to the objective. Please ensure that your entry includes metrics and tangible results.

To enter the Corporate Content Awards, please prepare a single PDF document including your:

1. Entry summary (300 words)
2. Entry statement (700 words)
3. Supporting materials (written supporting materials do not contribute towards the word count)

Please ensure your file is no larger than 10MB.

RESULTS

Our judges focus on strong results. Please consider the following points to assist you in demonstrating your success.

FAQs

What is the time frame for eligible work?

Can I enter work from last year?

The time frame for eligible work is ordinarily 18 months prior to the final deadline. Please refer to the eligibility and rules section on the Corporate Content Awards *website* for more details and specific dates.

Can I enter more than one category? If so, do I need to submit more than one PDF?

There is no limit to the number of categories that can be entered. If multiple categories are being entered, multiple PDFs must be submitted. As our entry form only allows one PDF to be entered at a time, you will need to go back and resubmit the form, making sure to change the category field. Although not compulsory, we strongly recommend tailoring each submission according to the category being entered.

I'm not sure which category to enter. How shall I decide?

If you are struggling to categorise your project, please email Sarah at sarah.murphy@communicatemagazine.co.uk

How can I ensure that budgets disclosed on the entry will remain confidential?

Don't worry – as long as you clearly mark the entry where relevant letting us know that you do not wish information on certain budgets (or any other information) to be shared, we will ensure that all such information is kept strictly confidential.

Is it ok if the word count is exceeded?

The word count is set as a guide, and exceeding it slightly will not be penalised. However, considering the volume of materials read by the judges, a more concise and collected approach to ensure your entry stands out is advised.

How should I include my supporting materials?

All supporting materials should be included within the document. Please hyperlink your videos in your PDF entry, rather than embedding the video. Embedded videos can often increase the size of your entry above the 10MB limit. Besides the supporting materials included within your entry, no other separate materials are required.

FAQs

On the 'Enter now' section of the website, what is the difference between the fields 'company' and 'entering company?'

Often, agencies enter their clients into our awards (i.e. company = agency, entering company = client). If this does not apply to you and you are entering independently, simply fill in both fields with your company name.

Can previous entries be sent to potential entrants?

As per our rules section on the Corporate Content Awards website, we cannot send out previous entries as they may contain sensitive and/or confidential material and figures that cannot be disclosed.

Is there a cost to enter?

Yes. Rates are available on the *Fees & Payments* page on the Corporate Content Awards website. There are also discount rates available for charities and an early entry discount for those who enter before a certain date.

Why won't my entry send?

Please ensure that the document format is PDF. If you are receiving an error message telling you that supporting materials are required, you have exceeded the 10MB size limit. If your entry is within the size limit but you are still receiving that error message, contact our office on +44 (0)20 3950 5356.

How do I pay for my entries?

After you submit your entry, you will be prompted to pay online in GBP. If you wish to pay in USD, the events teams will be in touch with an invoice. If an alternative payment method is preferred, please contact our office on +44 (0)20 3950 5356, where one of our team can explain other payment options.

Can't find the answer to your question?
